

Web Development for Kids!

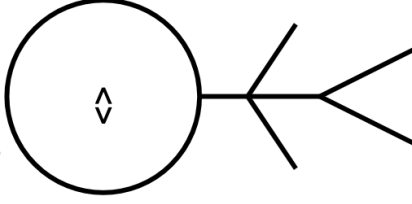

HTML

"The Structure"

```
<h1>My Title</h1>
<p>My paragraph</p>
<img>
```

HTML makes the building blocks

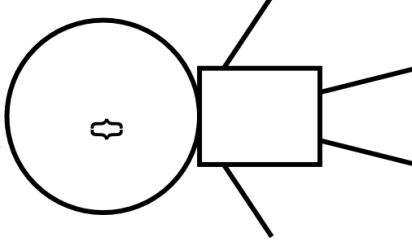

CSS

"The Style"

```
h1 {
  color: blue;
  font-size: 20px;
}
```

CSS makes it look pretty!

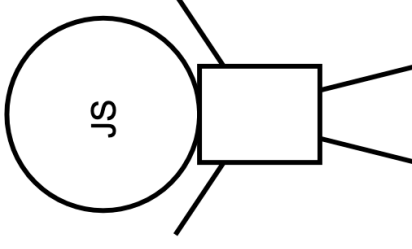

JavaScript

"The Action"

```
function greet() {
  alert('Hi!');
}
greet();
```

JavaScript makes it interactive!

Together they make awesome websites!
